LETTER OF REFERENCE

We hereby confirm, that INSTAL-LUBLIN Sp. z o.o. located in Lublin, Lucyny Herc 9, during the period from July 2008 to April 2011, performed installation work for General Motors Manufacturing Poland Gliwice.

The scope of work included the installation of ventilation (delivery and installation of air handling units with the ductwork for supply-exhaust ventilation system) along with control systems in Buildings G-20, G-30, G-40, G-60/70 and heating system in the Building G-21.
The total value of the performed work amounted to 7,6 million PLN.

The work performed by INSTAL-LUBLIN was implemented in a timely manner, in accordance with the principles of the art of construction, at a high technical level, while applying the latest technology. Taking the above into account, we recommend INSTAL-LUBLIN Sp. z o. o. to other investors as a company with highly qualified engineering and technical personnel and the adequate equipment.
